

## SD57 Relational Organizing Training Session

April 9th 9:30-11:30 AM

Century Middle School

18610 Ipava Ave, Lakeville MN 55044

You are Cordially Invited to take part in:

✳️What: a Relational Organizing Training Event

✳️When: before our DFL Senate District 57 Endorsing Convention on Saturday, April 9th from 9:30 a.m. - 11: 30 a.m.

✳️Who: Hosted by DFL Senate District 57 and facilitated by Southern Minnesota Dems in conjunction with Faith in Minnesota

Faith in Minnesota, the 501(c)4 arm of ISAIAH, gives us a new platform for living more fully into our moral citizenship by allowing us to organize and advocate directly in our state's elections and political process. It is a vehicle for creating a Minnesota that is inclusive and just for every person.

✳️Why: For those of you new to Relational Organizing, it's likely a form of political activism you already do on a frequent basis.

Relational Organizing centers around mobilizing personal contacts within a volunteer's network, thereby harnessing the power of relationships to jumpstart action within your community.

Relational organizing is an authentic way to engage with people and invite others to actively take part in our shared democracy.

When a volunteer like yourself advocates for a campaign, you're inviting supporters to join in an ongoing movement, empowering your network of friends, family, and neighbors to change politics from the ground up.

During this session, we will form local teams to actively build community and engage that community within SD57 in the many 2022 elections.

Some of the material we will be covering includes a tool kit for forming teams and hosting upcoming house parties.

Donuts and coffee will be served.

We look forward to converting political awareness into action with you all!
