15. **Equal Division by Gender Identity.** The Convention Chairs shall ensure that each election complies with the requirements regarding equal gender division located in the Equal Division section of the State DFL Rule Book (Addendum A of the Minnesota DFL Constitution and Bylaws). For State Convention delegate and alternate elections and for State Central Committee elections (Organizing Unit conventions only), there shall be an equal division by gender identity. Even numbered allocations shall be equally divided. Odd numbered allocations shall be as equally divided as possible. If both delegate and alternate allocations are odd numbered, the imbalance in delegate election must be reversed in favor of an underrepresented gender identity in the alternate election.
16. **Voting Methods.** Contested elections and endorsements shall be done by written ballot. In the event of a tie vote in an election, there will be a run-off ballot including only the

names of the tied candidates; if a tie still exists, it will be broken by lot. All other voting shall be by voice vote or uncounted rising vote unless a written ballot vote is requested by the Convention Chair or by one-third of the delegates present.

17. **Ballot Distribution.** Ballots shall be distributed only to delegates seated under the rules of this convention.

#### SPEECH AND DEBATE RULES

21. **Recognition.** No delegate may speak until recognized by the Convention Chair. Speakers will first state their name and precinct, and may state their pronouns. Speakers should always address the chair. No person may speak more than once on an item of business until all others on that side who wish to do so have had an opportunity.
22. **Speaking Limits—Debate.** Unless otherwise provided for in these rules, no delegate shall speak for more than [1] minute on any item. The chair will rotate speaking privileges among floor microphones and between proponents and opponents of a measure to the extent possible. Debate will terminate when [3] speakers have been heard on each side.
23. **Dropped or Withdrawn Candidates.** A properly nominated candidate who is dropped under the appropriate drop rule, or who voluntarily withdraws, may address the convention, committee, or commission for up to one minute immediately after withdrawing, or before or immediately after the ballot result is announced.
24. **Motions to Table.** Any motion to table shall be considered as though it were a motion to postpone indefinitely. A motion to postpone indefinitely does not preclude amendments to the main motion.

25. **Motions to Reconsider, Object to Consideration.** The motions “to reconsider and enter on the minutes” and “to object to consideration” are not in order. The motion to reconsider is in order and will require a two-thirds vote.
26. **Motions in Writing.** Any amendment to a motion or resolution which removes, changes, or adds [5] or more words must be submitted in writing to the Convention Chairs before being considered.
27. **Dignitary Speeches.** Incumbent DFL office holders, declared DFL candidates, and other party dignitaries may address the convention at the discretion of the Convention Chairs. Such visitors will limit their remarks to no more than [2] minutes.

#### WALKING SUBCAUCUS

28. **Time Limits for Walk Periods.** If a Walking Subcaucus system is used, delegates will have an initial period of [15] minutes after subcaucus nominations are completed to move to the subcaucus of their choice. If all remaining subcaucuses are viable on the first count, then there shall be no second count. If any subcaucus is not viable on the first count, the Chair will announce an additional [5] minute period during which delegates can move among the remaining subcaucuses.
29. **Equal Gender Division.** If elections for State Convention delegates and alternates or State Central Committee members and alternates take place by subcaucus and the resulting delegation is not equally divided by gender identity, an odd-numbered subcaucus selected by lot from among those that elected more delegates of the over-represented gender identity will be instructed by the Convention Chairs to exchange one delegate of the over-represented gender identity for its highest ranking alternate of a different gender identity in the case of state delegates, and to replace a person it had elected with a person of a different gender identity in any other case. Any delegate reduced to alternate status will become the highest ranking alternate of that subcaucus. If balance by gender identity is still not achieved, the process will be repeated with another odd-numbered subcaucus.
30. **Convention Chairs' Duties.** The Convention Chairs shall ensure that all Walking Subcaucuses are moving smoothly and assist those that are running behind.

35. **Screening of Questions.** The Convention Chairs or their designee shall screen all questions and eliminate any that are duplicative or not in compliance. The remaining questions shall be placed in a container and drawn by lot.
36. **Asking Questions.** Convention Chair shall ask the candidates each question in turn, but shall not read any preliminary remarks, statements or explanations included with the question.
37. **Order of Response.** The order of response for the first question will be established by lot and will rotate for each subsequent question.
38. **Time Limit for Responses.** Each candidate shall be allowed [1] minute to answer each question.
39. **Time Limit for Question Period.** The Question period will last for [30] minutes or until all questions are asked but shall be extended to allow all candidates to answer the final question.

#### PARTY OFFICER ELECTIONS

40. **Nominations and Speeches.** The nominations committee shall place in nomination the committee's recommendations. Other nominations shall be made from the floor without speeches or seconds. Candidates for election to a party unit office shall be nominated by name only, but each candidate may have [2] minutes to use as they wish.
41. **Chair, Vice Chair, etc.** The Unit Chair, Vice Chair (not of the same gender identity as the Chair), Outreach Officer (if specified in the Unit Constitution), Secretary, and Treasurer shall be elected by a majority vote. Voting will be conducted by separate ballot for each position. If none of the nominees for an office receive a majority vote on a ballot, the nominee with the least number of votes will be dropped on the next ballot, provided that at least two candidates remain on that ballot. If the unit's constitution specifies annual conventions, these officers will be elected at the odd year convention.
42. **Directors.** The convention shall elect Directors as specified in the unit constitution, with equal gender division. If delegates sufficient to elect one Director request proportional voting for Directors, the convention will use the Walking Subcaucus system provided in the Official

Call following the rules stated in the Walking Subcaucus section of these rules. If proportional voting is not used, the convention will elect Directors by plurality vote or as the convention determines.

43. **State Central Committee (Organizing Units Only).** An Organizing Unit convention shall, as a whole, elect State Central Committee members and alternates. The total delegation and any automatic members are specified in the 2022-2023 Official Call. One alternate shall be elected for each member, including any automatic members. Alternates are ranked without regard to gender identity. If a contest for members exists and more than three members are to be elected by the convention, the Chair will ask for a show of hands on proportional voting.
  - a. **Proportional Voting.** If delegates sufficient to elect one member request proportional voting, the convention will use the Walking Subcaucus system provided in the Official Call following the rules stated in the Walking Subcaucus section of these rules. Alternates shall be ranked according to the size of each subcaucus.
  - b. **Non-Proportional Voting.** If proportional voting is not used, the convention will elect State Central Committee members and alternates by plurality vote or as the convention determines. A record of the number of votes each alternate receives will be recorded for purposes of ranking alternates.

#### SENATE DISTRICT ENDORSEMENT RULES [SENATE DISTRICTS ONLY]

44. **Nominations.** Candidates for State Senate endorsement shall be nominated by name only.
45. **Speeches.** Each candidate (and/or their representative(s)) shall be allowed no more than [5] minutes to address the convention. No others may speak on behalf of or against the candidate.
46. **Question and Answer.** A question-and-answer period will follow the rules in the Question and Answer section of these rules.
47. **Vote Threshold.** Endorsement of a candidate for State Senate requires a 60 percent affirmative vote of the Senate District Convention.
48. **Drop Rule.** Candidates receiving less than [10%] will be dropped after the first ballot. On subsequent ballots, the drop off percent will be raised by [5%] each ballot. In addition, after the [4<sup>th</sup>] ballot, the lowest remaining candidate will be dropped regardless of the percent. However, in no case will this drop off rule be used to reduce the number of candidates remaining on the next ballot to less than two.
49. **No Endorsement.** If no candidate for endorsement has received sixty percent of the votes cast after [5] ballots, a motion to have no endorsement will be in order at any time thereafter, and will pass with a majority vote.

**HOUSE DISTRICT ENDORSEMENT RULES  
[SENATE OR HOUSE DISTRICT CONVENTIONS  
ONLY]**

50. **House District Conventions.** The Senate District Convention shall recess into two House District Conventions. The House District Conventions shall each elect one or more Chairs. The business of each House District Convention shall be the endorsement of a candidate for the State House of Representatives from that House District, and any other business authorized by the Senate District constitution. Each House District Convention may recess in between ballots to permit the Senate District Convention to reconvene and proceed with other business on its agenda. Each House District Convention shall adjourn upon completion of its business.
51. **State House Endorsements.** Endorsement of a candidate for State House of Representatives by each House District Convention shall be done using the procedures in the rule titled “State Senate Endorsements”, substituting “House” for “Senate.”

**STATE CONVENTION DELEGATE ELECTIONS  
[ORGANIZING UNITS ONLY]**

52. **Delegate Election Procedures.** The number of state delegates and alternates to be elected by the convention is specified in the 2022-2023 Official Call. The procedures to be used in the election of delegates and alternates to the Congressional District and State Conventions are as follows:
- a. **Acclamation.** If the Convention Chair determines that no more want to serve than there are delegate positions, the election shall be by acclamation.
  - b. **Proportional Voting.** If a contest exists, the Convention Chair shall ask for a show of hands on proportional voting. If delegates equal to the number represented by one State Convention delegate want proportional voting, it must be used.
  - c. **Walking Subcaucuses.** If proportional voting is used, the convention will use the Walking Subcaucus system provided in the call and will follow the rules of the Walking Subcaucus section of these rules. In addition, each subcaucus must indicate the gender identity of all delegates and alternates for the purpose of equal gender division within the unit’s delegation.
  - d. **Non-Proportional Voting.** If proportional voting is not used, the convention will elect State Convention delegates by plurality vote or as the convention determines.
  - e. **Ranking of Alternates.** Alternates will be nominated and elected in a similar fashion to delegates. Alternates must be ranked by the convention or subcaucus (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, etc.) for use in alternate upgrading at the Congressional District and State Conventions. Alternates are ranked without regard to gender identity.

- f. **Record of Votes.** The number of votes each alternate receives will be recorded for use in alternate ranking at the Congressional District and State Conventions. Even if no contest exists for alternate seating, the vote must be taken to determine this ranking. Any ties are broken by lot.

**PLATFORM AND RESOLUTIONS  
[ORGANIZING UNIT CONVENTIONS ONLY]**

53. **Reading of Platform Statement.** The Platform Statement in the Official Call shall be read to the convention or other group selecting the resolutions to forward before consideration of resolutions begin.
54. **Resolutions.** The Organizing Unit can forward to the State Platform, Issues, and Legislative Affairs Committee a number of resolutions equal to twice the number of State Convention delegates allocated to the Organizing Unit convention, or 20 resolutions, whichever is larger. The resolutions to be forwarded by the Organizing Unit must be selected from among those resolutions adopted by the precinct caucuses from precincts wholly or partially within the Organizing Unit. The resolutions forwarded to the State Platform, Issues, and Legislative Affairs Committee should address party positions on state and national issues. Resolutions that cover only local issues should not be forwarded to the State Platform, Issues, and Legislative Affairs Committee. All resolutions forwarded to the State Platform, Issues, and Legislative Affairs Committee must be submitted in the format prescribed by the State Platform, Issues, and Legislative Affairs Committee, with only one resolution per form and only one subject per resolution. After the convention or meeting, the Organizing Unit Chair must send or deliver the resolutions selected to the State DFL Office so they are received no later than the date in the Official Call.
55. **Procedure for Selection.** The procedure for selecting the resolutions to be forwarded to the State Platform, Issues, and Legislative Affairs Committee is as follows:

The convention will vote on each resolution presented for consideration. To remain in consideration, a resolution must receive at least a 60% affirmative vote of the convention. In calculating vote totals, abstentions shall be counted as part of the vote (in effect making them "no" votes). If more than the allowed number of resolutions receive the necessary 60% vote, the resolutions that received the highest percentage vote (with any ties for last place decided by lot) will be the resolutions forwarded to the State Platform, Issues, and Legislative Affairs Committee.
